

Private Lesson Program

Fine Arts Department
Birdville Independent School District

It is the goal of the Birdville Independent School District Fine Arts Department to provide the very best learning experiences for each band/choir student. One of these learning experiences is the opportunity for a student to study privately with a professional instrumentalist/vocalist. This enrichment opportunity is available to all band/choir students in grades 6-12 and is optional. The Private Lesson Program serves a twofold purpose. It allows interested students to receive additional individual help in their musical training. Secondly, this individual attention generally improves the performance level of the individual student and also has a positive effect on the band/choir in which the student participates.
